Maryhill Park Nursery Newsletter – September 2024

Maryhill Park Nursery School

Welcome Back.

We all hope you have had a wonderful summer.

Children have settled back into nursery excellent after their break

and welcome to our new families who are joining us

I would like to thank everyone for such a warm welcome to Maryhill Park as Acting Head of Nursery😊. I look forward to working with all the children, families and staff. If there is anything that I can help with please don't hesitate to contact me.

Thank You. Morag

We will be making some little changes around the nursery in consultation with the children and ensuring they have excellent playrooms to develop their skills and knowledge. We are always looking for parent/carer comments and suggestions so please tell us what you think of any changes and please share your ideas with us. Look out for a questionnaire through your email.

Seesaw - Through the Seesaw app is our main way of communicating with our families. Through this app you will be able to see your child's learning journey in nursery where you will be able to comment and like what they are doing. We will keep you up to date with events that will be happening in the nursery and opportunities for you to share your thoughts and ideas with us. Please ensure that you have access to the app. We are going to give access through the family app which means you will receive an email very soon and you can create your own password.

Teaching and Learning – Together we are settling back into nursery routines and helping our friends who are starting with us. We will be gathering the children's ideas for what they would like to learn about in the coming weeks and following their ideas and interests. If you have any ideas please share with the staff.

Please could we ask if you could label all of your children's clothing. Things can become mixed up and it would be easier to sort out if your child's name is on their items. Please remember that we go out in all weathers, please make sure that your child is appropriately dressed for the weather, remember it can change in a second in Glasgow. 😊 Thank you.

Nursery Fund - This fund is really important to the nursery to help buy special and everyday items for children to have fun, extend learning and receive treats.

The fund is £2 per week per child and can be paid weekly or monthly……whatever suits you. These nursery funds are collected to purchase many items such as:

*Graduation gifts
*Christmas gifts
*Birthday gifts
*Easter eggs
*Goodies for parties and special celebrations
*Items to make playdough: Flour, oil, food colouring, essence
*Food tasting when celebrating occasions such as Chinese New Year, Burns Day, St Andrews Day, Diwali and Eid
*As well as additional resources needed to provide daily planned learning experiences to promote teaching and learning.

Without your contribution we will be unable to provide all of these additional items and fun events that Glasgow City Council does not provide a cash budget for.

We have provided a brown envelop for money to be passed back into nursery. Thank you for helping us with this fund.

Dates Ahead – We will send out separate information for our dates ahead. This will tell you nursery events and any holidays coming up.

Do you know we are also on X (formerly known as Twitter) you can find our page

@ParkMaryhill

Please give us a follow and see what great information we have on X.

Contact us – Please if you have any questions or query's do not hesitate to ask us. You can ask us when you come into nursery or if you would like to contact us using the details below:
